CUSTOMER SITE TRAINING AT ON-SITE VENUES

Many of our customers require onsite training at their locations for a variety of reasons. This can sometimes be the most cost-effective solution. Staff may require training on specific waterproofing, damp proofing or ground gas solutions that are only available at their own venues or site and so, we bring the training to you.

In addition, we offer bespoke courses working with our customers to develop training solutions which are tailored to their own permits and requirements enabling their employees to work safely and in full compliance with legislation.

For training to take place at your site we will require the following areas:

- Classroom/meeting room
- A practical training area
- Inert/safe confined space training area
- The area on-site for the purposes of training should be suitably cleared and prepared in advance
- Suitable platform to work at height (if/where required)
- Suitable electrical supply
- Access to clean portable water
- Amenities to cleanse mixing paddles/trowels/brushes, etc
- Suitable prepared and marked areas for application (for Liquid and powder systems)
- Access to onsite welfare facilities
- MSDS and Product Data Sheets for the products available on-site

Products

- All products to be on-site in advance of training
- All products to be kept and stored in strict accordance to
- Product Data Sheets
- MSDS and Product Data Sheets

Equipment

- Appropriate PPE – for site requirements and for products used in training

For Cavity Drain Systems

- Tape measure
- Suitable cutting equipment – Stanley knife/industrial scissors
- Suitable drills
- Suitable drill bits and numbers thereof
- Suitable flat face hammer
- 2m level/straight edge

For Liquid and powder systems

- Scales for weighing
- Volumetric vessels for mixing water/gauging solutions
- Suitable prepared and marked areas for application
- Slow speed mixing paddles
- Suitable mixing paddles
- Suitable mixing vessels
- Suitable trowels, spray equipment and brushes

A site visit maybe required prior to training taking place.

TERMS AND CONDITIONS

By signing this booking form ("Form") you are offering to enter into a contract with Delta Membrane Systems Limited ("the Company") for the provision of the training services in consideration for the price and on the terms and conditions as set out in the Form.

The terms contain the entire agreement between the parties and, unless otherwise agreed in writing by a Director of The Company, these terms prevail over any terms of business or purchase conditions put forward by the customer.

The Company may at any time and without liability amend the training programs or dates.

By placing a booking, you confirm that delegates meet the entry requirements for the course as stated on the registration form (page 2) and is suitably physically and mentally fit to undertake the course. Please contact a suitably qualified individual for advice before booking should you have any queries over a delegate's physical or mental health. We reserve the right to refuse a delegate on a course should they not meet the entry criteria. We reserve the right to exclude a delegate from a course, with no refund, should we deem their behaviour inappropriate.

For training on-site or at a venue of your choice, if, in the opinion of the Company's trainer, your site is unsuitable due to poor location, poor environment, lack of equipment, lack of health and safety etc. then the training will not take place.

You shall accept full responsibility for all statutory requirements placed upon you by the relevant governing bodies and the Health and Safety at Work etc. Act 1974 including the maintenance and safety of vehicles, plant, machinery, protective clothing, and all applicable insurance including any loss, injury or damage sustained during training, or arising out of neglect and/or breach of statutory duty by you or in any other way.

All training and training materials are provided in English language.

The Company shall not be responsible for any loss of, expense, or damage of personal belongings during Delta's Bespoke Training Course. The Company shall not be liable for any delay from the negligence, dishonesty, misconduct, or lack of skills from delegates.

The fee will be agreed prior to the booking being confirmed. VAT, where applicable, is payable on the entirety of this charge.

There will be no refund in the event of delegates late arrival or leaving before the end of the training.

Full payment must be made at the time of booking. For payment by Debit/Credit Card contact us on 01992 523 523 and payment can be made over the telephone.

Cancellation requests must be confirmed and agreed in writing/email with a Director of the Company.

In the event of cancellation, and if we are unable to transfer your booking to another date, the following charges will apply:

- More than four weeks prior to the start of the course – no cancellation fee
- Two to four weeks prior to the start of the course – a cancellation charge of 30% of the total course fee will apply
- Less than two weeks prior to the start of the course – a cancellation charge of 50% of the total course fee will apply

Please be aware new and current 'Standards' applicable to the application of products.

Neither the Company or its training staff are liable for any failure or delay in performing their obligations where such failure or delay results from any cause that is beyond their reasonable control; such causes include but are not limited to: illness, power or utilities failure, industrial action, labour disputes, terrorist action, civil unrest, fire, flood, storms including snow and ice, acts of war, Governmental action and acts of God.

You shall not attempt to engage any associate supplied by the Company for work either directly or as an introduction to a Third Party.

These terms are governed by the law of England and Wales and are subject to the exclusive jurisdiction of the Courts of England and Wales.

By placing a booking, you are confirming that you have read and accept these terms and conditions.
