

Description

Delta PT Plugs are specially designed for the fixing and installation of Delta PT, PT 3mm and PT Slimline membranes.

A watertight self-sealing fixing plug which works in harmony with our PT membranes.

Delta PT Plugs are available with or without grommets. Grommets allow for a watertight, self-sealing finish. Delta Rope can be used as an alternative to grommets to give a watertight finish. Delta PT Plugs (without grommets) in conjunction with Delta Sealing Rope provide an ideal seal on vaulted soffits.

Features

- Provides a watertight Seal
- Apply Delta Rope to head of plug offers a watertight seal (when grommets are not used)
- Quick and effect install
- Multi use plugs for Delta PT membranes
- Firm fix into substrates
- Developed to provide a good key for plasters and renders

Specification

- BS 8102:2022 Protection of below ground structures against water ingress. Code of practice.
- Ancillary product for Delta Cavity Drain System.

Associated Products

- Delta PT
- Delta PT 3mm

Product Details

DMS 015 with grommets  
DMS 133 without grommets
